### **Facts about the position and why we need you:**

We want to be the number producer of top talents in Fencing Sweden as well as making sure that children start with fencing. As one of the most active fencing Clubs in Sweden we constantly strive for achieving more.

We are now looking for our next fencing coach, specialized in foil, but willing to work with epee as well. Job offer include work with our fencers during regular practices and coaching during competitions. We already have a well operated system for our practices and now we need more resources to develop further.

### **Facts about the club:**

En Garde Fencing Club is located in Solna, 10 min north of the city center of Stockholm, the capital of Sweden. Our fencing hall has a very good location with close connections to buss, underground and commuter trains.

The club started 5 years ago and since then our head coach have done a great job together with fencers bringing in a lot of Medals in Youth, Cadet, Junior and Senior Swedish Championships as well as been qualifying several Cadets and Juniors for international Championships.

We have around 100 active fencers from 7 years old to senior. Trainings are arranged in groups according to five (5) levels; beginners, youth1, youth2, juniors and adult beginners. Most of our fencers is focusing on foil, adult beginners practice epee, our juniors and seniors compete from time to time in sabre and epee.

We are practicing 5-6 days per week. The Hall is equipped with 8 full size fencing strips, and we have a separate place for individual lessons as well as a separate place for functional and strength practices. Our club is the base for a fencing program in the Solna High school which helps most talented fencers combining high school education and fencing practice during day time.
